

Update: 5th Avenue NE Street Improvements

October, 2004

Project Goals

- Create a pedestrian-friendly street
- Provide a safe, attractive, public environment
- Balance the use of the street among pedestrians, vehicles, and transit

The Design

The City of Seattle worked with the community to develop a conceptual plan for 5th Avenue NE from NE 100th Street to NE 112th Street. The work is documented in the **5th Avenue NE Streetscape Design Plan Final Report**, April 2002.

Phase One

SDOT has reached 60% completion of the engineered designs for Phase One. This phase includes the following items on 5th Avenue NE from Northgate Way to NE 105th Street:

- **Pedestrian promenade** and **improved crosswalks** connecting the Library and Community Center with Northgate Mall and transit stops.
- **Landscaped street medians** including street trees and ground cover.
- **Wider sidewalks** with **street trees** and curb, gutter, and driveway improvements.
- Full **traffic signal replacement** and street lighting improvements with pedestrian-scale lighting.
- **Environmental assessment**, preliminary **drainage study** and **pedestrian street-lighting study** for 5th Avenue NE from NE 100th Street to NE 112th Street for Phase One and future phases.

Project Schedule

The project will progress in tandem with work done on the library and community center.

Summer 2004—60% design

Spring 2005—complete design

Spring 2006—begin construction

Summer 2006—complete construction

Community Involvement

The City of Seattle developed the **5th Avenue NE Streetscape Design Plan** as a result of extensive community involvement in 2000 and 2001.

SDOT is coordinating community outreach with the library and park projects also located on 5th Ave NE.

- March 2003: Open House, Nathan Hale High School
- September 2003: Surveyed businesses regarding best ways to keep them informed
- November 5, 2003: Open House, Olympic View Elementary School
- February 23, 2004: Open House, Olympic View Elementary School
- May 13, 2004: Northgate Community Forum, North Seattle Community College
- Summer 2004: met with businesses and property owners

SDOT will continue to work with the community throughout the project.

To schedule a presentation regarding 5th Avenue NE street improvements for your community organization, call Sandra Woods, Project Manager, Seattle Department of Transportation, (206) 684-5298.

In the long term...

SDOT will continue to look for funding to complete implementation of the 5th Avenue NE Streetscape Design Plan from NE 100th Street to NE 112th Street.

Northgate Transportation Plan

Under Mayor Nickels' leadership, SDOT is evaluating existing and future transportation needs in the Northgate area.

Called the Northgate Coordinated Transportation Investment Plan (CTIP), it will recommend a long-term vision for an improved transportation system.

The study will include transportation by foot, bicycles, transit and vehicles, as well freight transport. Proposed projects such as the Monorail and Sound Transit will be included in the CTIP analysis.

The study will recommend transportation improvement projects, and assign priorities.

The City hired a consultant and began work in March 2004. The community is participating in developing and reviewing the plan, to be completed by the end of 2005.
